Members are being contacted by anti-union organizations. These groups are trying to scam you and your union sisters and brothers by soliciting your personal information.

These groups may mail, email, call or visit you at home. Some have **fraudulently** claimed to be from the CSEA President or CSEA Headquarters – this is NOT the case. These scammers allude to raises and savings and promote divisive issues to get you to click a link in an email, fill out a postcard or scan a QR Code. **DON'T BE SCAMMED**

Negotiating Update

The Negotiating Team (NT) has been meeting to come up with 3 Proposals. They include the following:

1. Language changes - non-economical
2. Compensation changes

If you can't login due to not knowing your CSEA ID#, follow the instructions in this newsletter titled **Get Your Member ID#**.

All of the benefits that Member Benefits talks about are in the app.

3. Section changes

We have finalized the three proposals into one Proposed Packet. Next step is scheduling a sit down at the negotiating table with Monroe County.

Remember.....

Why Union?

1. Wages, Benefits, and working conditions protected by a legal contract.
2. Wage steps and salary schedule guarantees (negotiated raises).
3. Working conditions negotiated and members vote; yay or nay on contract.
4. Unfair treatment met with due process to protect against bad supervisors.
5. Work together with coworkers (your union) to change what you don't like at work.

Overview of the U.S. Labor History (every 5 years)

1828 The Working Men's Party, the world's first labor party, is founded with a platform that includes the abolition of imprisonment for debt, the right to use for wages owed, the abolition of sweatshops, the 10-hour day, restrictions on child labor, free and equal public education, and the abolition of prison labor.

1831 Nat Turner leads the most famous slave rebellion in U.S. History which involved 75 fellow slaves and results in the death of 60 whites. The rebellion is put down and turner is hanged but the rebellion is credited for ending the myth that slaves were happy with their lot or simply too passive to rebel.

1838 16,000 Cherokee are forcibly removed from Georgia and forced to march 800 miles to Oklahoma. 4,000 of them die in the process and the event becomes known as "The Trail of Tears."

1848 The Treaty of Guadalupe is signed ending the Mexican American War; ceding to the United States land that would later become Arizona, California, Colorado, Nevada, New Mexico, Texas and Utah; and effectively stripping land and citizenship rights of Mexicans occupying the ceded territories.

1848 Women's rights advocates meet in Seneca Falls, New York, in the country's first women's rights convention. Convention organizer Elizabeth Cady Stanton delivers a Declaration of Sentiments modeled after the Declaration of Independence declaring that "all men and women are created equal."

1850 Harriet Tubman leads a group of abolitionists in creating the Underground Railroad, an underground movement organized to assist escaped slaves from the South gain freedom in the North and Canada, in defiance of the Fugitive Slave Acts.
